GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

- Institution realizes that good governance is essential for its progress. In the Institution there is very congenial atmosphere, accountability and transparency is maintained by all the members of the Institute. Principal considers the Staff of the Institution as a family. All the teachers are involved in decision making process.
- The institute is situated in rural area of Chhattisgarh. Majority of our students are girls and we always make attempt for their benefits in the field of academics and this is also reflected in the Vision and Mission of college. Students should be responsible citizens of the country and show their continuous efforts taken by the teachers to inculcate these practices.
- Clean campus is our motto and so most of the students actively participate in keeping the college premises clean. IQAC Ambassadors keep a regular update of the campus.

6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

-

The IQAC of the college developed a strategic Vision plan based on the recommendations from the NAAC report. This Vision emphasizes areas such as curriculum, teaching-learning, research, infrastructure, and best practices. The college formulates its perspective plan by considering the following factors:

1. Vision and mission of the institution
2. Feedback from various stakeholders
3. Policies of higher education
4. Quality enhancement of the institution

In light of these factors, the college plans the following initiatives:

1. **Introducing New Courses:** In response to the growing demand for new subjects, the Humanities department has submitted a proposal to the Higher Education Department, Raipur (C.G.), for the addition of these subjects.

2. **Strengthening Infrastructure:** The college plans to improve the girls' common room and expand the parking area for students and staff. There are also plans to upgrade existing laboratories and enhance ICT-enabled teaching and learning. Furthermore, physical facilities will be increased, and a proposal for a solar power generator has been considered to provide the college building with its own power supply.

Although several of these initiatives were delayed due to the COVID-19 pandemic, they are scheduled to be implemented in the upcoming sessions for effective utilization of the college's resources.

6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

The college's performance appraisal system evaluates the annual performance of both teaching and non-teaching staff. This system is designed to assess the effectiveness of teaching methods and their impact on students.

- The appraisal focuses on the professional development of teaching staff, considering factors such as research publications, seminars and conferences attended, and paper presentations. The performance appraisal system follows UGC guidelines, with API forms provided to both teaching and non-teaching staff annually.
- The institute also oversees overall performance by gathering feedback from stakeholders. Staff performance is regularly monitored and evaluated. The college has a well-documented, performance-based appraisal system as per state government regulations, and suggestions for improvement are provided to staff.
- During promotions, the performance appraisal of both teaching and non-teaching staff is reviewed by the relevant authority of the college.

6.4 - Financial Management and Resource Mobilization

6.4.1 - Institution conducts internal and external financial audits regularly Enumerate the various internal and external financial audits carried out during the year with the mechanism for settling audit objections within a maximum of 200 words

The institution has a well-established system for conducting both internal and external audits of financial transactions annually to ensure financial compliance. A summary of the internal audit based on the financial records for the year 2023-24 is as follows:

For each financial year, the internal audit committee reviews the Government, Non-Government, Janbhagidari registers, fee receipt books, vouchers of expenses, and bills. Accounts are maintained on a cash basis, with separate receipt and payment accounts, as well as income and expenditure statements prepared. Clear instructions are given to prevent errors, and practices such as overwriting and corrections in ledger books are avoided. The fee collection system is not yet online.

The accounts of the Janbhagidari Samiti, including expenses and incomes, are audited by a chartered accountant. All vouchers and bills are recorded according to the payment dates. Fee receipt books are randomly verified. The requisite office staff is responsible for maintaining cash books, vouchers, receipts, and records for Janbhagidari, Government, and Non-Government accounts. No significant irregularities have been found in the receipt records.

6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources

The institute effectively utilizes the Janbhagidari (JBS) fund for acquiring essential equipment for the college. In the 2016-17 academic year, green boards were installed in all classrooms. In 2017-18, a water cooler was installed on the first floor to address the need for a better water supply. To facilitate smooth organization of events, a multitasking podium was purchased using the JBS fund. The Chemistry department also installed a gas pipeline to ensure efficient practical sessions. Additionally, a Sanitary Napkin Vending Machine and its Incinerator were acquired through the JBS fund.

Recently, eight CCTV cameras were installed around the campus for enhanced security. The college also purchased air conditioning units and two coolers in the 2021-22 academic year. The campus has been equipped with Wi-Fi through the JBS fund. As the student population continues to grow each session, furniture is regularly purchased to accommodate the increased demand.

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

The IQAC is dedicated to enhancing and sustaining the quality of educational services offered by the institution. It has institutionalized quality assurance strategies through several initiatives, which have been successfully implemented at the

college:

1. **IQAC Ambassadors:** These ambassadors are appointed to maintain and suggest quality measures. They, along with IQAC members, conducted a program on cleanliness and self-awareness for all students.
2. **Clean College Green College Campaign:** An awareness program focusing on cleanliness and environmental sustainability is actively run in the college.
3. **ICT Enhancement:** To improve ICT and information technology access for students, the IQAC proposed upgrading the college to a Wi-Fi-enabled institution and purchased five computers to facilitate practical learning.
4. **Cross-Cutting Issues:** The IQAC took the initiative to integrate cross-cutting issues into the college's co-curricular activities, incorporating them into various social initiatives.
5. **Gender Issues:** Gender empowerment and development are incorporated into the undergraduate curriculum to raise awareness and promote equality.
6. **Human Values:** Human values are an intrinsic part of the college curriculum. Various programs are organized to instill these values among students.
7. **Environment and Sustainability:** Environmental awareness and sustainability are included in the curriculum, with activities designed to engage students in cultivating environmental responsibility and supporting sustainability.

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

The IQAC of the institution regularly reviews the teaching-learning process and tracks incremental improvements in various activities. To enhance the "Teaching-Learning Process," the following measures have been implemented at the college:

1. ICT-based learning.
2. Learning enhancement through charts, models, in-house seminars, exhibitions, etc.
3. Learning through field visits.

Thanks to IQAC's efforts, the college has set long-term objectives, and the outcomes of various student-level seminars are closely monitored. IQAC also encourages activities such as group discussions, extempore speech competitions, and subject-related seminars and presentations to assess and enhance students' potential.

Each department organizes awareness programs through field visits, guest lectures by experts, and encourages participation in both curricular and extracurricular activities. The primary goal of IQAC is to develop and promote essential skills in every student. The "Mentor-Mentee" system is followed by teachers to provide guidance and moral support to students. Activities across academic, cultural, sports, and social domains contribute to the growing credibility of IQAC. All IQAC programs are attended by the entire teaching and non-teaching staff. Additionally, the college departments organize value-added courses and guest lectures to foster and share knowledge through quality research for the benefit of society and humanity.

INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

The college is dedicated to fostering equality, inclusiveness, and respect for all individuals, ensuring fairness and justice for everyone. This commitment is reflected in the equal representation of women and men across all areas, creating an environment where all students can thrive. The institution strives to drive positive change both on campus and in society by promoting diversity and addressing inequalities. Our college has consistently upheld gender equality, with no distinction made between students in terms of admission, participation, or program organization. Notably, the ratio of female students is higher.

Following UGC guidelines, Gender Champions are appointed each academic year through a formal process. These champions lead meetings, offer guidance, and emphasize the importance of gender equality, receiving a "Badge of Honor" annually for their contributions. The college also prioritizes the safety of female students, offering lectures on self-protection and providing counseling services. To foster a gender-sensitive environment, the campus offers common rooms for female students and additional support services.

7.1.3 - Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 200 words) Solid waste management Liquid waste management Biomedical waste management E-waste management Waste recycling system Hazardous chemicals and radioactive waste management

Waste Management: The college implements effective management of solid, liquid, biomedical, and e-waste, along with systems for waste recycling and the safe disposal of hazardous chemicals and radioactive materials. Initiatives are taken to raise awareness among students about reducing waste and segregating bio and non-biodegradable waste.

· The college continuously emphasizes the importance of separating wet and dry waste during practical sessions and classes across all departments. To support this, waste bins made from recycled cartons have been placed in classrooms, along with large plastic buckets and smaller bins for better segregation.

· For final disposal, the college ensures that waste is buried in designated, safe areas to prevent land pollution. Dry waste is also disposed of safely. The Chemistry Department plays a key role in the responsible management of hazardous chemicals and radioactive waste through best practices.

· Both solid and liquid waste management is handled efficiently by college committees, ensuring that all waste is dealt with in an environmentally responsible manner.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

- Institution realizes that good governance is essential for its progress. In the Institution there is very congenial atmosphere, accountability and transparency is maintained by all the members of the Institute. Principal considers the Staff of the Institution as a family. All the teachers are involved in decision making process.
- The institute is situated in rural area of Chhattisgarh. Majority of our students are girls and we always make attempt for their benefits in the field of academics and this is also reflected in the Vision and Mission of college. Students should be responsible citizens of the country and show their continuous efforts taken by the teachers to inculcate these practices.
- Clean campus is our motto and so most of the students actively participate in keeping the college premises clean.

IQAC Ambassadors keep a regular update of the campus.

6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

-

The IQAC of the college developed a strategic Vision plan based on the recommendations from the NAAC report. This Vision emphasizes areas such as curriculum, teaching-learning, research, infrastructure, and best practices. The college formulates its perspective plan by considering the following factors:

1. Vision and mission of the institution
2. Feedback from various stakeholders
3. Policies of higher education
4. Quality enhancement of the institution

In light of these factors, the college plans the following initiatives:

1. **Introducing New Courses:** In response to the growing demand for new subjects, the Humanities department has submitted a proposal to the Higher Education Department, Raipur (C.G.), for the addition of these subjects.
2. **Strengthening Infrastructure:** The college plans to improve the girls' common room and expand the parking area for students and staff. There are also plans to upgrade existing laboratories and enhance ICT-enabled teaching and learning. Furthermore, physical facilities will be increased, and a proposal for a solar power generator has been considered to provide the college building with its own power supply.

Although several of these initiatives were delayed due to the COVID-19 pandemic, they are scheduled to be implemented in the upcoming sessions for effective utilization of the college's resources.

6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

The college's performance appraisal system evaluates the annual performance of both teaching and non-teaching staff. This system is designed to assess the effectiveness of teaching methods and their impact on students.

- The appraisal focuses on the professional development of teaching staff, considering factors such as research publications, seminars and conferences attended, and paper presentations. The performance appraisal system follows UGC guidelines, with API forms provided to both teaching and non-teaching staff annually.
- The institute also oversees overall performance by gathering feedback from stakeholders. Staff performance is regularly monitored and evaluated. The college has a well-documented, performance-based appraisal system as per state government regulations, and suggestions for improvement are provided to staff.
- During promotions, the performance appraisal of both teaching and non-teaching staff is reviewed by the relevant authority of the college.

6.4 - Financial Management and Resource Mobilization

6.4.1 - Institution conducts internal and external financial audits regularly Enumerate the various internal and external financial audits carried out during the year with the mechanism for settling audit objections within a maximum of 200 words

The institution has a well-established system for conducting both internal and external audits of financial transactions annually to ensure financial compliance. A summary of the internal audit based on the financial records for the year 2023-24 is as follows:

For each financial year, the internal audit committee reviews the Government, Non-Government, Janbhagidari registers, fee receipt books, vouchers of expenses, and bills. Accounts are maintained on a cash basis, with separate receipt and payment accounts, as well as income and expenditure statements prepared. Clear instructions are given to prevent errors, and practices such as overwriting and corrections in ledger books are avoided. The fee collection system is not yet online.

The accounts of the Janbhagidari Samiti, including expenses and incomes, are audited by a chartered accountant. All vouchers and bills are recorded according to the payment dates. Fee receipt books are randomly verified. The requisite office staff is responsible for maintaining cash books, vouchers, receipts, and records for Janbhagidari, Government, and Non-Government accounts. No significant irregularities have been found in the receipt records.

6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources

The institute effectively utilizes the Janbhagidari (JBS) fund for acquiring essential equipment for the college. In the 2016-17 academic year, green boards were installed in all classrooms. In 2017-18, a water cooler was installed on the first floor to address the need for a better water supply. To facilitate smooth organization of events, a multitasking podium was purchased using the JBS fund. The Chemistry department also installed a gas pipeline to ensure efficient practical sessions. Additionally, a Sanitary Napkin Vending Machine and its Incinerator were acquired through the JBS fund.

Recently, eight CCTV cameras were installed around the campus for enhanced security. The college also purchased air conditioning units and two coolers in the 2021-22 academic year. The campus has been equipped with Wi-Fi through the JBS fund. As the student population continues to grow each session, furniture is regularly purchased to accommodate the increased demand.

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

The IQAC is dedicated to enhancing and sustaining the quality of educational services offered by the institution. It has institutionalized quality assurance strategies through several

initiatives, which have been successfully implemented at the college:

1. **IQAC Ambassadors:** These ambassadors are appointed to maintain and suggest quality measures. They, along with IQAC members, conducted a program on cleanliness and self-awareness for all students.
2. **Clean College Green College Campaign:** An awareness program focusing on cleanliness and environmental sustainability is actively run in the college.
3. **ICT Enhancement:** To improve ICT and information technology access for students, the IQAC proposed upgrading the college to a Wi-Fi-enabled institution and purchased five computers to facilitate practical learning.
4. **Cross-Cutting Issues:** The IQAC took the initiative to integrate cross-cutting issues into the college's co-curricular activities, incorporating them into various social initiatives.
5. **Gender Issues:** Gender empowerment and development are incorporated into the undergraduate curriculum to raise awareness and promote equality.
6. **Human Values:** Human values are an intrinsic part of the college curriculum. Various programs are organized to instill these values among students.
7. **Environment and Sustainability:** Environmental awareness and sustainability are included in the curriculum, with activities designed to engage students in cultivating environmental responsibility and supporting sustainability.

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

The IQAC of the institution regularly reviews the teaching-learning process and tracks incremental improvements in various activities. To enhance the "Teaching-Learning Process," the following measures have been implemented at the college:

1. ICT-based learning.
2. Learning enhancement through charts, models, in-house seminars, exhibitions, etc.
3. Learning through field visits.

Thanks to IQAC's efforts, the college has set long-term objectives, and the outcomes of various student-level seminars are closely monitored. IQAC also encourages activities such as group discussions, extempore speech competitions, and subject-related seminars and presentations to assess and enhance students' potential.

Each department organizes awareness programs through field visits, guest lectures by experts, and encourages participation in both curricular and extracurricular activities. The primary goal of IQAC is to develop and promote essential skills in every student. The "Mentor-Mentee" system is followed by teachers to provide guidance and moral support to students. Activities across academic, cultural, sports, and social domains contribute to the growing credibility of IQAC. All IQAC programs are attended by the entire teaching and non-teaching staff. Additionally, the college departments organize value-added courses and guest lectures to foster and share knowledge through quality research for the benefit of society and humanity.

INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

The college is dedicated to fostering equality, inclusiveness, and respect for all individuals, ensuring fairness and justice for everyone. This commitment is reflected in the equal representation of women and men across all areas, creating an environment where all students can thrive. The institution strives to drive positive change both on campus and in society by promoting diversity and addressing inequalities. Our college has consistently upheld gender equality, with no distinction made between students in terms of admission, participation, or program organization. Notably, the ratio of female students is higher.

Following UGC guidelines, Gender Champions are appointed each academic year through a formal process. These champions lead meetings, offer guidance, and emphasize the importance of gender equality, receiving a "Badge of Honor" annually for their contributions. The college also prioritizes the safety of female students, offering lectures on self-protection and providing counseling services. To foster a gender-sensitive environment, the campus offers common rooms for female students and additional

support services.

7.1.3 - Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 200 words) Solid waste management Liquid waste management Biomedical waste management E-waste management Waste recycling system Hazardous chemicals and radioactive waste management

Waste Management: The college implements effective management of solid, liquid, biomedical, and e-waste, along with systems for waste recycling and the safe disposal of hazardous chemicals and radioactive materials. Initiatives are taken to raise awareness among students about reducing waste and segregating bio and non-biodegradable waste.

- The college continuously emphasizes the importance of separating wet and dry waste during practical sessions and classes across all departments. To support this, waste bins made from recycled cartons have been placed in classrooms, along with large plastic buckets and smaller bins for better segregation.
- For final disposal, the college ensures that waste is buried in designated, safe areas to prevent land pollution. Dry waste is also disposed of safely. The Chemistry Department plays a key

role in the responsible management of hazardous chemicals and radioactive waste through best practices.

· Both solid and liquid waste management is handled efficiently by college committees, ensuring that all waste is dealt with in an environmentally responsible manner.
